
Welcome Stingrays.

Posted by dave - 2008/09/21 07:42

Welcome to our latest sports forum dedicated to Hull Stingrays.

I am sure that all ice hockey fans will excuse me for saying that perhaps this is one of the less well known sports in Hull, I certainly know very little about it.

Take a few minutes to look at their new section and feel free to comment with suggestions or info to help us fill out this area and make it as informative and useful as possible.
